

REMARKS

Claims 1-14 and 16-35 remain pending in this application. Based on the foregoing amendments and following remarks, reconsideration and allowance of this application is respectfully requested.

Claim Rejections-35 U.S.C. §103

Claims 1-7, 12, 33, and 34 stand rejected under 35 U.S.C. §103(a), as being obvious over U.S. Patent No. 6,488,688 ("Lim") in view of U.S. Patent No. 7,156,860 ("Wallsten"). Applicant respectfully traverses this rejection, since no proper combination of Lim and Wallsten discloses, teaches, or suggests the combination of elements required by these claims, as amended.

In particular, claims 1-5 now depend from allowable claim 8, claims 6 and 7 now depend from allowable claim 30, and claims 33 and 34 now only depend from allowable claims 13 and 29. Thus, Applicant submits that claims 1-7, 33, and 34 are not obvious over the combination of Lim and Wallsten, and as such, respectfully requests withdrawal of the §103 rejections of these claims.

Allowable Subject Matter

Applicant graciously acknowledges the allowance of claims 8-11, 13, 14, 16-32, and 35.

Conclusion

Based on the foregoing, it is believed that all claims are now allowable and a Notice of Allowance is respectfully requested. If the Examiner has any questions or comments

regarding this amendment, the Examiner is respectfully requested to contact the undersigned at (949) 724-1849.

Respectfully submitted,
